Housing Market Trends

Historical price movements, sales activity and year-over-year growth.

Year range: 1992 – 2024

Region: All

Area: All

House type: All

Sales type: All

Chart metric

- [ ] Sales Value
- [ ] Homes Sold
- [ ] Average Price
- [ ] Price per sqm

Avg. price growth per year (CAGR): 3.4%

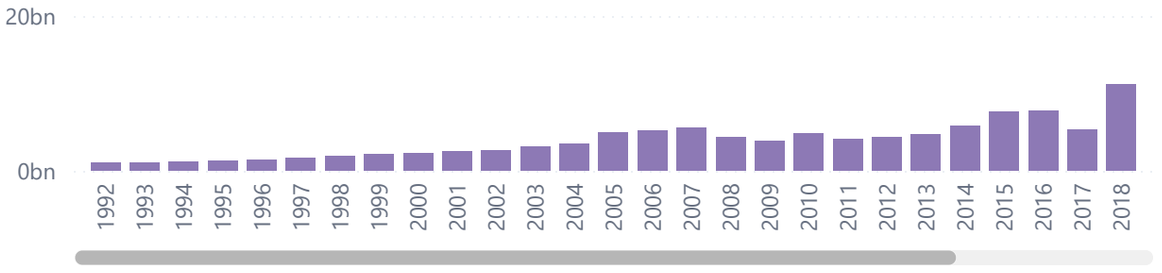

Price per sqm growth per year (CAGR): 3.9%

Avg. price change, first to last year: +194.4%

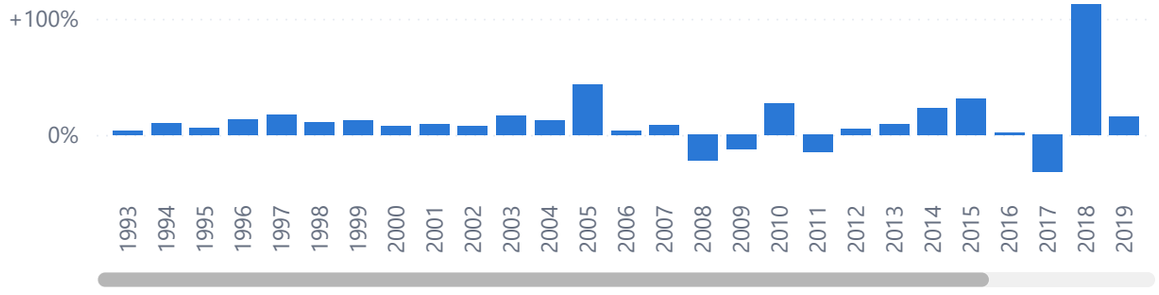

Sales value YTD vs last year: -5.7%

Reading the charts
Light blue bars = incomplete years. No sales are recorded Dec 2016 - Jun 2017, so 2017 is understated and the 2017 and 2018 changes are distorted. 2024 runs to 24 Oct.
